## Major General Mark E. Bartman: National Guard

Major General Mark E. Bartman, the Adjutant General of Ohio, showed a video, *We are the Guard*, highlighting the Ohio National Guard. The Guard is "Always ready. Always there." He described the command structure of reporting directly to the governor and to the chief of the National Guard Bureau in Washington. Mark is

very impressed with how many senior level executives there are in the Ohio National Guard. He said that that is a testament to the support the Guard receives from the local communities. The Ohio National Guard is the 5th largest in the United States with 16,200 members. It serves a region where 59% of the U.S. population lives, and 7 of 10 FEMA regions are located within 600 miles of Ohio. Since 9/11, over 25,000 Ohio National Guard soldiers and airmen have deployed to fight and win our nation's wars. Domestically, the Ohio National Guard has protected the homeland with its Neighbors helping Neighbors program whereby guardsmen went door to door checking on neighbors during heat waves. They also assisted with water distribution during the water crisis of the summer of 2014. The Ohio Air National Guard is the 2nd largest in the U.S. with 4,700 airmen and has added full time chaplains and medical personnel to support those who fly combats remotely from an office in Ohio and then go home to have dinner with family. The Ohio Army National Guard is the 5th largest in the U.S. with 11,500 soldiers and has very diverse units. Major General Bartman reiterated that the Guard enjoys amazing support from the local business community. He used a three-legged stool analogy to describe a ready team—soldier/airmen, family, and community. The Guard continues to build strategic partnerships throughout Ohio and around the globe working closely with state and federal agencies. The Major General explained that the Ohio National Guard has a rich heritage including three presidents who served in the Ohio Volunteer Infantry and Major General Charles H. Dick who championed the Militia Act of 1903. He honored those heroes who have fallen in the line of duty from the Ohio National Guard. Major General Bartman offered a glimpse into the future saying that the Guard is on the cutting edge of military technology. The 180th, stationed in Toledo, is under consideration to get the F-35 Lightning II stealth multirole fighter plane. In addition, Ohio is in competition with Michigan and New York for a missile defense site. Finally, the Ohio National Guard participates in cyber collaboration with many agencies and individuals worldwide.

## Kids Against Hunger

FEEDING FAMILIES AND CHILDREN AROUND THE WORLD

The New Member Committee is hosting its annual service project. This is a great opportunity to spend some time with your fellow Rotarians, do some good in our community, and introduce your family/significant other to the Rotary community. We have adopted the national service group, Kids Against Hunger that is run locally by ISOH/Impact. We have an opportunity to pack 25,000 meals in a two hour window. This year's project will be held on Saturday May 21, 2016 (see schedule below). We need approximately 80-100 volunteers to pack the 25,000 meals, so please invite your family/friends to come help out (child volunteers should be 8+). Finally, there will be a phenomenal fellowship opportunity directly after the pack with some food and hopefully good weather! The day's project is being hosted by Dick & Fran Anderson at the Andersons Complex (1833 S. Holland Sylvania, Maumee, OH 43537).

## New Members

**Tim Menke** is the CEO of Lott Industries. Tim was born in Lima, Ohio, and grew up in Delphos, Ohio. He currently resides in Perrysburg with his wife, Julie, and two daughters, Katie and Jessie. He values time with family and is heavily involved with youth activities at his church. He hopes to do more kayaking on the Maumee River this summer. Tim's alma mater for both his bachelor's and MBA degrees is Bowling Green State University. He loves the Rotary ideals, believes strongly in family values, and describes himself as being a "servant to family, church, and Lott." He is not fond of people with negative outlooks who waste time in whining and complaining.

**Joe Sweeney** is the director of development for his alma mater, St. Francis de Sales High School. Joe is active in the Multiple Sclerosis Society, having served on the board and is a past chairman. Joe enjoys the Bike to the Bay, having done it 27 years and riding 150 miles in two days. Joe (6'4") is married to Sue (4'11") and they have two children Brianna and Connor. Joe's interests include bicycling, golf, theater, and his kids' activities. Joe is excited to be joining Rotary after many years of tagging along with Fr. Ron Olszewski as a guest. His pet peeve is people who come to too many Rotary luncheons as a guest without becoming a member.

## Get to know . . . Peter Bowmer

### Describe your profession and what is your favorite part of it?

I am the senior pastor at St Paul's Lutheran Church in downtown Toledo. Our motto is "The church with a heart in the heart of downtown Toledo." St Paul's has been at 428 N Erie since 1857! St Paul's is a welcoming church and as such we have contact with a wide diversity of people in our community. Sharing the love of God with **ALL** people and being blessed by them is the favorite part of my job. We share meals with those experiencing low income and homelessness. We are creating an art gallery and creative space. We have a 12 month intention community GAP Year program for young adults where they learn more about the opportunities Toledo affords people. We offer people from all backgrounds the opportunity to worship, serve, build and grow the city of Toledo right from its heart. People are the favorite part of my profession.

### What do you like to do when you are not working?

Spend time with my awesome wife and 4 teenage daughters. We emigrated from Australia 2 years ago – so we love to travel and explore this amazing nation. I also am fascinated by the whole political process in this country!

### What is the most satisfying benefit you get from being a Rotarian?

Meeting a wide range of people who represent this amazing city and who have not only the capacity to serve, but the willingness to collaborate in that service.

### Tell us about your family.

My wife Madonna, is a teacher in the Headstart program at Glenwood Elementary. This is her passion – inspiring youngsters and their families to see that education transforms lives and communities! My two oldest daughters attend Owens Community College and are financing their own way through college by working part time. One aims to be a registered nurse, the other is studying graphic design and business marketing. I am proud of them both. My younger two daughters attend Clay High School. One desires to enter the medical profession and the other is yet to decide, but the world is her oyster and she works hard on her academics and is involved in cross country, cheer leading, serving the elderly, and the Clay theater group "Limelighters."

### Share one thing people do not know about you.

I have an eclectic taste in music. I love opera, Bob Dylan, Midnight Oil, Bon Jovi, Fall Out Boys, and a wide variety of music in between.

### Share some "words to live by" or your favorite quote.

Live each day like it is your last bringing honor to all. Micah 6:8 "And what does the Lord require of you? To act justly and to love mercy and to walk humbly<sup>l</sup> with your God."

### What would you be doing if you were not in your profession today?

I dream of opening a bakery and coffee café. I'd love to produce all the baked goods I miss from Australia and show Toledo that meat pies are much better than hot dogs!! I am the main cook for our family.

### Outside of Rotary, please share other interesting civic or community involvement of which you are a part.

I convene T LUMPS (Toledo Lutheran Urban Mission Partners). This is a collaboration of the urban Lutheran churches in Toledo. We aim to share resources and ministries which benefit and serve this city.

### Where do you see yourself in ten years?

Serving a revitalized downtown Toledo community that is proudly diverse.
