Dear Rotarian,

We believe that the honor of being a member of one of the top ten Rotary Clubs in the world comes with the responsibility to make an annual donation to the Toledo Rotary Club Foundation.

For many years an average of 75% of our members have contributed to the Foundation, unfortunately, this past year participation barely reached 50%. For those who made a contribution – Thank You. Your gift makes a difference. For those who did not contribute we hope that you will consider a gift this year at whatever level is appropriate for your circumstances.

Annually, the Toledo Rotary Club Foundation contributes more than \$200,000 to non-profit organizations in our community and globally. Our grants improve the lives of thousands each year, including those served by Connecting Kids to Meals, Sunshine Communities, the Autism Model School and globally the DOVE Fund; organizations that received funding in our first round of grants for the 2019-20 Rotary year.

We are able to make these annual grants because of the gifts of our members and the gifts of others who contributed throughout the Rotary Club of Toledo's 107- year history. Many donors have entrusted the Toledo Rotary Club Foundation with their annual and legacy gifts believing in the process and due diligence that the Foundation provides.

The mottoes of Rotary, "Service Above Self" and "He Profits Most Who Serve Best", lead us to support the 2019-20 annual fund of the Toledo Rotary Club Foundation.

Please review the enclosed response form, choose a giving level that is right for you, and return the form in the enclosed envelope as soon as possible.

Yours in Rotary Service,

Steve Miller

Working Better Together

- Toledo Rotary has a 100-year history of helping children with disabilities.
- Those children grow up and need a break to get work.
- Our partnership offers Toledo Rotarians with the commitment and connections of four organizations through one entry point.
- Jack Hollister is project liaison with Toledo Rotary, profiling clients looking for work, and communicating the successes of this project from the floor microphone.
- Toledo Rotary staff will facilitate communications between Project Liaison and Rotary membership.
- Rotarians who are pivotal in individuals hired by another employer will be included as a success.
- The goal is to initiate 15 full and part time positions per year over the next five years.
