Monday's Meeting August 29, 2016:

Clyde Scoles, Toledo Public Library Director/Fiscal Officer

Clyde Scoles has been Director of the Toledo-Lucas County Public Library since 1985. Prior to that, he served as Assistant Director, since 1978. He holds a Bachelor Degree from OSU and a Masters Degree in Library Science from the University of

Michigan.

He began his library career with the Columbus Metropolitan Library, holding various positions between 1967 and 1974. From 1974 to 1978, he was the Director of the Zanesville Public Library.

Throughout his career he has also been a library consultant to the Ohio Legislative Reference Bureau, as well as an Adjunct Professor in the Graduate School of Information Studies at the Universities of Michigan and Kent State. He is a member of the Ohio and American Library Associations. Mr. Scoles is past Chairman of Governmental Affairs for the Ohio Library Counsel. He is past Director/Trustee, Treasurer and President of the Council of Bibliographical and Information Technologies and member of the American Library Association and American Institute of Architects for Library Building Awards.

The Zanesville Jaycees selected him as one of 12 "Men of the Year" recipients in 1976. Mr. Scoles has written several articles and publications in professional journals. He has been the recipient of the Outstanding Service and Humanitarian Award from Phi Delta Kappa. He has also won 2 prestigious awards from The Press Club of Toledo— Touchstone Lifetime Achievement and Touchstone Contributor. Mr. Scoles has held memberships and/or offices in the Toledo Rotary Club, Grolier Club of New York, Torch Club, Chamber of Commerce, Read for Literacy, Inc., and American Society of Public Administrators. He is also Past Director and Treasurer of OHIONET, Inc., and is a past Trustee for the David Bennett Award of the American Society of Public Administration.

Past Program: August 22, 2016

Allen Fore, VP of Public Relations, Kinder Morgan

Allen Fore spoke about the Utopia East Pipeline Project. The project will include a new 12-inch pipeline approximately 215 miles long. The pipeline will then

connect with and use existing Kinder Morgan pipeline to move ethane and ethane-propane mixtures eastward to Windsor, Ontario. Ohio's Utica Shale Region is producing more of these energy sources and by transporting through pipelines, Fore believes we can become more energy independent. These ethane and ethane-propane mixtures are initially planned to be used primarily for producing plastics.

When choosing a route, Kinder Morgan takes into consideration the impact on the environment and existing land uses. They select a route minimizing the impact on the environment, landowners and communities. The process to develop their route requires a lot of planning, surveying and going through Federal, State and Local Governments. The pipeline is buried a minimum of 3 feet underground; markers indicate the location. Along with preconstruction precautions, they keep a close watch after the project has finished. Kinder Morgan has regular air and ground patrols, as well as a remote system that's monitored 24/7 which can remotely shut down a section if compromised. The pipeline's life expectancy is usually greater than 75 to 100 years, and they use cathodic protection to prevent corrosion.

Kinder Morgan's Utopia East project is using union labor, generating approximately 900 local union construction jobs. More workers will reside locally and therefore the economy will benefit. Fore says the project will: generate \$4.9 million in tax revenues, create 2,132 direct and indirect jobs in Ohio, contribute \$144.9 million to Ohio's gross state product, and provide \$87.5 million uplift to the Ohio economy through additional income and spending.

Welcome New Member AMY GILMAN

Amy Gilman was recently promoted to Deputy Director at the Toledo Museum of Art. She facilitates implementation of the Museum's strategic objectives, leads a fellowship program to mentor museum leaders of the future, and coordinates major initiatives from the director's office. Gilman currently oversees the curatorial, development and finance departments of the museum and will be the primary coordinator at the museum for an upcoming campus master plan project. She regularly curates exhibitions including 2011's Small Worlds, and as co-curator of Play Time in summer 2015, and is the coordinating curator for this summer's Jaume Plensa exhibition. She holds a BS from Northwestern University in Performance Studies, and MFA in Photography from Columbia College Chicago, and a PhD in Art History from Case Western Reserve University.

DISTRICT GOVERNOR MESSAGE

"To commemorate the fact that our District was the first District to receive a grant from The Rotary Foundation, my request to all Rotarians is to save at least \$1 per day for 100 days beginning July 4, 2016 and make a contribution to The Rotary Foundation to kick off our Centennial Year. The reason that I chose this special date of July 4th is because every year on this date I always feel blessed. Every year I appreciate more and more the saying: 'There is no such thing as bad day in the USA.'"

NEW MEMBER SPOTLIGHT

Tim Menke

Describe your profession and what is your favorite part of it?

I am the CEO of Lott Industries. We provide training and employment to adults with developmental disabilities. It brings great satisfaction knowing that we help people earn some independence by providing employment, where there might not be a chance elsewhere in the community. We also have many great business partnerships in the Toledo community.

What do you like to do when you are not working?

Spend time with family and friends.

What is the most satisfying benefit you get from being a Rotarian?

Having the opportunity to engage in community service and meet some great people.

Tell us about your family.

I have been married to my wife Julie for 22 years and we have two daughters, Katie (18) and Jesse (16). Julie is a Speech Therapist for ProMedica, Katie is a senior at Perrysburg High School (heading to Western Michigan University) and Jesse is a Freshman at Perrysburg. We love summer vacations, riding bikes, and eating outside. :)

Share one thing people do not know about you.

I am a great scrambles partner in golf. ;-)

Share some "words to live by" or your favorite quote.

I like the Biblical version of the "Golden Rule", "Love God with all your heart, mind, and soul, and love your neighbor as yourself." Live this way... and life is more joyful.

What would you be doing if you were not in your profession today?

Professional golfer... at least giving it a try, anyway.

Outside of Rotary, please share other interesting civic or community involvement of which you are a part.

I am very active in my church. I support Visions Kitchen (serve meals) as well as Cherry Street Mission (giving and serving). Our family supports Compassion International and Deborah House, which are both Christian shelters and services for youth in Nicaragua and Romania.

Where do you see yourself in ten years?

Continuing to serve my family and community in any way God desires. (It's not up to me to determine my future.) :)

A MESSAGE FROM DG DO

A new **100 Year Celebration White Wine** is being produced for a September Delivery. We have had many Rotarians ask about White Wine. With the help of Firelands Winery in Sandusky Ohio, it is now an option.

Please join with fellow Rotarians in a contribution of \$288 *and in appreciation* you will receive a Case of either the 100 Year Rotary Celebration Red Table Wine or the first run of the Celebration White Wine. Delivery is included in the price for District 6600 Rotarians. This is an extremely limited offer for our District members and whether you select white or red, each bottle has the commemorative label. **You can find an order form and more details on the District 6600 website at: RotaryDistrict6600.org**
