### Rotary on the Road

**Robb Voyles**

**Halliburton**

Robb L. Voyles is Executive Vice President, Secretary and General Counsel of Halliburton Company and a member of the Company's Executive Committee. In his role, he advises the Chief Executive Officer and Board of Directors on corporate governance and legal matters. From March 2017 through June 2017, he also served as the Company's Chief Financial Officer.

Before joining Halliburton, Mr. Voyles was a senior partner at Baker Botts LLP, where he served as global chair of the Litigation Department and as a member of its executive committee. His practice focused on commercial, securities, and Foreign Corrupt Practices Act litigation and investigations. He represented major accounting and law firms in professional liability litigation, as well as major corporations in commercial, securities, and technology litigation and government investigations.

Mr. Voyles is a member of the Board of Directors of Jones Energy Inc. He is chair of the Nominating and Corporate Governance Committee and a member of the Audit and Compensation Committees.

Mr. Voyles holds a Juris Doctor from University of Michigan Law School and a Bachelor of Business Administration from University of Dayton in Ohio. He is a member of the State Bar of Texas and the American Bar Association, and he is a Fellow of the Texas, Dallas County, and Travis County Bar Foundations.

# Veterans Day Saturday, November 11, 2017

## Honoring our Veterans

Profiles of courage and sacrifice

*UBS is pleased to present an evening with Colonel David W. Sutherland.*

Colonel Sutherland is a highly decorated veteran with 29 years of active duty in the US Army. He also happens to be a native of Sylvania, Ohio. During surge operations in Iraq, Colonel Sutherland and the thousands of troops under his command beat back Al Qaeda and other insurgents which turned the tide in the war. At present, Colonel Sutherland is an advocate for military veterans, their families and families of the fallen. He is also President of the Sutherland Partnership. In this role he helps organizations like UBS succeed by creating ethical leaders and engaging cultures.

Colonel Sutherland will share profiles of courage and stories of sacrifice from the battlefield, while inspiring us to tap in to the "capacity for greatness" that he believes lies within us all.

**Thursday, November 2nd**

The Renaissance Hotel  
444 North Summit Street

**6:00pm – 6:45pm: Complimentary hors d'oeuvres**

**7:00pm – 8:00pm: Presentation—**

# THANK YOU FOR YOUR SERVICE

# Club Board Nominees' Statements

## Second Vice President 2021—2022

When I received the call that I was a nominee to serve as Second Vice President, I was extremely honored and immediately started thinking about ways I might be able to impact our Rotary Club in this journey over the next several years. Once I knew I had the support of those closest to me, I started to realize how important this decision is and what it might mean to me and to our great club.

I've been a Rotarian for over 25 years, serving the last 13 years at the Rotary Club of Toledo. My involvement in our club was crystalized when I began to serve in different capacities as committee member, co-chair and chair of different committees, ITZA Ball Raffle chair, as well as a Board Member. I have been able to witness our club's capabilities and appreciate the work of every single Rotarian, whether they have 50 years or 1 year of service. Our club is fortunate to have so many gifted and talented professionals that are filled with energy and passion and strive to make a difference every day.

If elected, I realize I will be following a vast contingent of seasoned and committed Rotarian's as President, and promise to give 100% of my efforts towards the club's goals and mission. I'm humbled by this opportunity to serve The Rotary Club of Toledo in this capacity, and look forward to working with our membership in pursuit of the greatest good, "Service Above Self".

## Directors 2018—2021

I would be exceptionally honored to serve as a board member of the finest Rotary Club in the world. I come from a background where hardship is the norm, and I have been so fortunate to be a member of a group of people who spend their lives trying to reduce hardship and make the world a better place.

I strongly believe in the Four Way Test and Think mindset, as a board member I would love to see the Four Way test become the first thought that comes to mind when someone thinks of Rotary. There are limited ways to live an exemplary life in this very complicated world, and being a true Rotarian is one of those.

For the past five years I have learned from, and worked with, some of the best human beings on earth. It's been very fulfilling to be part of an organization that touches so many lives in small and large communities all over the world.

I pray that I will have the ability to do the same, while I serve as a member of your board.

Thank You  
Charles Asah

I am honored to be selected by the Nominating Committee. I would be proud to serve on the Board of Directors, and would do my best to represent the membership of our Club as we seek to exemplify "Service Above Self".

I will draw on my experience in Rotary, having served as a member, Vice Chair and now Chair of the Water Service Committee, as well as my service as a member of the International Service Committee of our Club. In 2016, I was privileged to lead the team for our 2nd Annual Rotary Lake Erie Watershed Conference, and I enthusiastically support our commitment to all of our Transformational Projects.

I actively participate in District 6600, giving time as a representative on the District Advisory Committee, and as the Vice Chair of the District Water Committee. At District, I have had the opportunity to represent our Club, and also to interact with the leadership doing impressive work all around our District. I have attended and presented at the District Conference, as well as attended the Rotary International gathering in Atlanta this past year, where I enjoyed meeting Rotarians from around the world!

I will draw on my past experience having served several years on various Boards in my church congregations, international medical missions work, and as an Officer in Alumni Scholarship and Environmental groups in which I have enjoyed membership.

I am committed to our Club's Strategic Plan and its 5 major Strategic Initiatives. Should I be confirmed, I will look forward to working with Club leadership to advance attainment of our Strategic Initiatives, and to secure the achievement of our Rotary International goal of "Making a Difference"!

Respectfully,  
Janina Douglas

I am honored that I have been recommended to serve as a Board member of the Toledo Rotary Club. Growing up in the Toledo area, I cherish the opportunity to help lead an organization whose vision is to provide extensive resources to fund community transformational programs and major long-term projects.

I joined the Club in 2011, serving as a fourth generation Toledo Rotarian. While I may not have Tommy's charm and singing prowess, our dedication and commitment to fellowship and service is parallel.

Listening to Tommy's recommendation, I quickly joined the Disability Service Committee, following the footsteps of his father, Wellington F. Roemer. In 2014, I chaired the committee, and in 2015 I served on the Board of Directors for Mark Makulinski's remaining year.

As a Board Member, I will always be mindful of the Four-Way Test, in the Board's drive to successfully fulfill our Strategic Plan Initiatives.

John P. Roemer

### Pat Bowe

#### *The Andersons*

The Andersons is founded on the belief that all of us are subject to a higher and divine authority, and that we should aspire to goodness, integrity, fairness, respect and those virtues which we think are consistent with divine will. They place constant and primary focus on their customers and the community. In the spirit of giving, and the ideals The Andersons share with Rotary, Pat Bowe announced they were giving a donation to the Toledo Rotary Club Foundation Polio Plus Fund. The Andersons has 2,000 employees and 100 plus locations. They started with the grain business, buying and selling with local farmers, which then linked them to other areas. The Andersons operates four ethanol plants, collectively capable of producing 330 million gallons of ethanol, their largest partner being Marathon Petroleum—the largest ethanol consumer in the US. Plant nutrients is their fertilizing business, they built this group based off of their grain business. They sell to other retailers, customers and also farmers. The Andersons is one of the largest suppliers of specialty fertilizers to golf courses. The last group the Andersons takes part in is rail. They transported their grain and fertilizer in through rail, and decided to make it part of their business. The rail group provides a variety of services to the rail industry, including fleet management, leasing, repair and custom fabrication. They now have 23,000 rail cars—and they are not all for transporting grain and fertilizer.
