NOVEMBER MEETING SPONSOR

WELCOME NEW MEMBER: Tim Murphy!

Tim is a Senior Project Manager with Civil & Environmental Consultants, Inc. (CEC) and has over 20 years of leadership experience in the environmental industry. Prior to joining CEC, Tim served as the Environmental Commissioner for the City of Toledo. As the Environmental Commissioner, he was responsible for overseeing the Division of Environmental Services which performs many duties including, but not limited to, maintaining compliance with all air and water regulations in the Toledo – Lucas County region, brownfield remediation and redevelopment, emergency response, sustainability, energy efficiency and alternative energy projects. Tim also served as the Local Air Agency Director, as a contractual agent for the Ohio Environmental Protection Agency and has extensive knowledge of local, state and federal environmental regulations. In August of 2014, following the “Do Not Drink” advisory, he took over as the Commissioner of the Division of Water Treatment. His extensive knowledge and good working relationship with the regulatory agencies was crucial as short and long-term improvements were made to the Collins Park Water Treatment facility. In November of 2014, Tim joined the Toledo Office of CEC as the Environmental Practice lead. Among other things, he is currently leading CEC’s efforts to develop the Nutrient Source Inventory, a public-facing water quality informational tool that will identify the sources and amounts of nutrient pollution in the Western Lake Erie watershed among other things. He holds an undergraduate degree in Environmental Science and a Master’s in Public Administration from the University of Toledo. Tim is a member of numerous professional organizations including the Water Environment Federation, American Water Works Association, National Association of Local Government Environmental Professionals, Toledo – Lucas County Sustainability Commission, TMACOG, the Toledo Regional Chamber of Commerce, and Leadership Toledo among other organizations.

Past Program: December 4, 2017

Louise Jackson, Kathy Mikolajczak & Gary Murphy Your Toledo Rotary Club Foundation

After Foundation Chairman Louise Jackson recognized all the foundation trustees and Legacy League members, Vice-Chairman Kathy Mikolajczak introduced a short film created by fellow Rotarian Phil Mariasy. The film highlighted some of the grants that your Toledo Rotary Club Foundation awarded last year. The total grants awarded for 2016-2017 was \$230,062. Secretary/Treasurer Gary Murphy then updated the Club on the Toledo Rotary Club Foundation's financial position. Chairman Louise summarized the Foundation's activities over the year. First, she said, the Spoke now features the Foundation on page 2, every week. Secondly, each month a grant recipient speaks at a Monday meeting about how their charity has used the grant they were awarded. Third, the Foundation has ramped up their efforts to make the Legacy League more visible. Major life-time gifts, and gifts you make through your estate plans are the only real way to grow our endowment fund, and thereby grow our annual grant funds. The fourth effort they had going on this year, was transferring our endowment funds to the Toledo Community Foundation. Fifth, our charitable focus has changed since the time we incorporated the Foundation. The Foundation trustees are going to ask the Club to review and revise the Charitable Purpose Clause in the Articles of Incorporation. Annual Campaign Co-Chair Neil Neukam then encouraged the Club to have 100% participation in contributing this year to the fund. Together we are the Toledo Rotary Team, GO TEAM!
