MANUEL CAREAGA ROTARY YOUTH STUDENT EXCHANGE

I'm Manuel Careaga and I'm from Mexico! I'm 16 years old. There are 5 members in my family -- my mom, dad, 2 sisters, and me. My sisters are 28 and 30 years old.

I go to St. Francis de Sales. I like to do all kind of sports and I like to play the saxophone. I really like meeting new people and making friends. I wanted to go on an exchange year because I wanted to experience living somewhere else and learn their traditions, school system, sports, and social skills in another language and country. In my exchange year I've enjoyed all the experiences I had and all the people I've met from the U.S. and from around the world.

When I go back home I'll be a senior at Colegio Guasave and then I would like to study Political Science in Mexico.

Tim White
Marsh & McLennan Agency

Tim is a commercial business insurance broker focused on protecting his clients in the manufacturing, construction and all middle market clients for Marsh & McLennan Agency. Tim attended the University of Toledo and received a degree in Business Administration and Sales. Like to our distinguished Rotarian Walt Churchill, he is a member of the Phi Kappa Psi Fraternity and served on their Executive Board during his time at UT.

Tim and his wife Connie are lifelong Toledoans and they have been married for 12 years. They have two children, Gabe their 8-year-old son and Lydia, their one-year old daughter.

Outside of work he enjoys martial arts and is pursuing his black belt. He also competes in local Triathlons and other fitness activities. He enjoys our Metro Parks, the Mud Hens and that we don’t really have any traffic. He serves in his church as a leader of their new member team that seeks out people in the community looking for spiritual growth and to makes sure they feel welcome. He also volunteers as a teacher for their K-5 Sunday school class.

Something interesting about Tim is he is an avid car buff. He will travel a long way to attend car collector exhibits or places that have unique cars on display.

Tim says the most satisfying benefit from being a Rotarian is the privilege to be connected on a weekly basis with people who share the values of service and performance in their careers and personal life.
