**BOB CLARK-PHELPS
CITIZENS CLIMATE LOBBY**

Bob Clark-Phelps works as a Process Development Manager at First Solar. In this role, he is responsible for taking new processes from the R&D stage and scaling them up for mass production. He holds a Ph.D. in physics from the University of California at Berkeley. He is a member of St. John XXIII Catholic Community in Perrysburg, where he started a Creation Care team called OurNEST in 2014 to provide opportunities for people to put their faith into action through education and environmental advocacy. Just over a year ago, he became the Group Leader of the Perrysburg-Toledo chapter of Citizens' Climate Lobby or CCL. CCL is a non-partisan, grassroots organization that is building political will to pass effective, bipartisan solutions for climate change. CCL works by developing respectful relationships with all Members of Congress based on shared values. In the past year, the number of local CCL supporters has grown by over 400%, and a new, independent Toledo chapter has now been formed. Bob also serves as the liaison to the office of Congressman Bob Latta for CCL. Bob and his wife Marie have three children and live in Perrysburg.

Welcome New Member David Miley

David Miley & Kathy Tate

David grew up in NW Ohio and graduated from Maumee High School. He began a career in the manufacturing industry and made the decision to serve others through life insurance sales with Transamerica. He achieved the requirements to become licensed and moved into a full-time position with Gluckle Agency.

David is a volunteer baseball coach for Toledo PAL, a non-profit, delinquency prevention program for juveniles using athletics--resulting in a positive influence with youth in the underserved areas of the community. Additionally, David is a member of Toledo area F3, an outdoor men's workout group.

David has two children, a son Gabe, who is 11 and a daughter Sophia, who is 7. David continues to seek opportunities for himself and his family to serve others. David's Pet Peeve: When people don't use basic manners – such as please and thank you OR hold open a door.

**JILL BUNGE
UNITED WAY 211**

Jill Bunge, Director of Community Impact, United Way of Greater Toledo explained why United Way's 2-1-1 service is on a mission to become the "voice" of the community in Lucas, Wood, and Ottawa Counties.

2-1-1 refers individuals to services such as food pantries, housing, utility assistance, clothing, community support services, financial stability, school supplies resources and legal services to name a few. Toledo Rotarians learned about the costs of the 2-1-1 system and how the 2-1-1 system is reducing non-emergency 9-1-1 calls.
