Christy Gustin
Director of Regional Services
Girl Scouts of Western Ohio

Christy Gustin is the Director of Regional Services for the Girl Scouts of Western Ohio. She has been impacting the lives of girls, providing leadership, and driving the mission of Girl Scouts for nearly 27 years as a professional. Christy's Girl Scout journey began much earlier. In 1976, she joined her first Brownie Girl Scout troop and began her 36-year journey with Girl Scouts. As a Girl Scout, she developed a love for the outdoors, traveling, photography and service. After college, seeing a need in her community she became a troop leader of not just one, but two Girl Scout troops. One for girls with special needs and another for girls who spoke English as a second language. Christy says, watching the girls discover the world around them and grow in their confidence and courage, inspired her to become a professional Girl Scout. She joined the staff of her local Girl Scout Council in the Chicago area in 1995 and in 1996 she moved to the Toledo area to continue her work with the Girl Scouts of Western Ohio.

Outside of Girl Scouts Christy has been a Big Sister with Big Brothers Big Sisters of NW Ohio, a member of BNI (Business Networking International), a member of the International Association of Women, and a graduate of Leadership Toledo Academy. She is currently a member of the Juliette Gordon Low Society, United Way Women's Initiative and Westgate Toastmasters Club where she currently serves as President and will be stepping into the role of Area 4 Director for Toastmasters District 28 in July of 2021.

Connecting Through Committee Service!

Toledo Rotary offers a multitude of opportunities to connect through our service committees. Our Club committees mirror the mission of Rotary as we work to help our communities in areas where help is needed most. As a reminder, here is a snippet of our Toledo Rotary service club committees and what they do. We invite you to join other leaders here, exchange ideas that will help make a difference, and together, take action that provides help where help is needed most! ***Please click on any committee name below to link to the 2021-2022 Committee Selection Form.*** If you have any questions please reach out to the Rotary Office.

Community Services - As a member of Community Service, you have an opportunity to participate, review and cast your vote in moving grants forward. The CS committee also orchestrates the annual food build service project and more unity.

Disability Services - Committee members have an opportunity to participate in the long-history of our Club's focus and service of helping others maintain a relatively normal lifestyle, no matter what their ability.

International Services - The IS committee manages grant requests and projects that have an international impact. The committee has worked with the Engineers Without Borders-UT Chapter; stays connected with our club's district 6600 through MESA (Medical Equipment Supplies Abroad) and most recently, sent a small team of members to Guatemala to assist with a clear water project there.

Peace Services - This committee is supporting those organizations in the community working to create a peaceful community.

Vocational Services - Vocational Service Committee members play an integral role in mentoring youth and adults in their respective vocations. Vocational Services promotes 'Networking that Supports & Fosters the Four-Way Test'! Committee members focus on development of professions, trades and education within the community's chosen vocations and are working directly the Ability Center to assist with their 'Working Better Together' program.

Water Services -The Water Services Committee members will evaluate foundation grant requests relating to waterways and bodies of water within and/or contiguous to the U.S.

Youth Services -The Youth Services Committee members have an opportunity to experience and manage multiple grant requests that impact the youth in our immediate area.

Putting Service Into Action

Monday, June 14th Recap

Randy Gardner
Chancellor
Ohio Department of Higher Education

On Monday, Chancellor Gardner gave a great presentation and challenged Rotarians with a little Ohio trivia. Randy shared the current state of Ohio in regards to post-secondary education and the many programs available to high-school students to aid in post-secondary education costs. Rotarians engaged with several questions regarding the "brain drain" and how the internet and social media have changed how our students learn today. Chancellor Gardner said that Ohio is actually on a "brain gain" course with individuals coming to Ohio to seek employment. To watch the program in its entirety, please click the link above.

Randy Gardner was appointed by Governor Mike DeWine the 10th Chancellor of the Ohio Department of Higher Education in January 2019. As Chancellor, he oversees the state's two-year and four-year colleges and universities and Ohio Technical Centers. In addition, the Chancellor provides policy guidance to the Governor and the Ohio General Assembly and carries out state higher education policy.

During the first year of the DeWine Administration, Chancellor Gardner made more than 100 college and university visits to 74 different campuses, an ambitious schedule meeting with university leaders, faculty and students throughout Ohio.

Before becoming Chancellor, Gardner served a combined total of 33 years in the Ohio Senate and House of Representatives. A well-respected leader, Gardner served in seven different elected leadership positions, including Senate President Pro Tem, House Speaker Pro Tem and Senate Majority Leader during his final term in the Senate. He also served as chairman of both the House and Senate Higher Education committees.

In the General Assembly, his work ethic was exemplified by his 100% voting record over 33 years. His 10,433 consecutive roll call votes on bills, amendments and resolutions earned him the nickname "the Cal Ripken of the state legislature."

Gardner received his bachelor's degree in education and a master's degree in political science, both from Bowling Green State University. Prior to his career in public service, he worked both as a realtor and high school history and government teacher.

Gardner and his wife, Sandy, reside in Bowling Green and are the parents of three children—Brooks, Christina, and Austin.

Summer Social Scavenger Hunt!
