Robin L. Isenberg is a local business professional with a demonstrated history in not-for-profit leadership. She is especially passionate about community mental wellness and has served as Executive Director of the National Alliance on Mental Illness (NAMI) Greater Toledo for over 10 years. Her skills lie in not-for-profit leadership, volunteer management, public speaking, fundraising and program development.

As a native Toledoan, she has worked in the local community for the past 30 plus years. Robin holds a Bachelor of Science in Business Administration from The Ohio State University with a focus on marketing and management. She developed a strong sense of devotion for the not-for-profit sector early on. Her many years of experience give her a deep appreciation for how our local non-profits seek to improve the quality of life for our region; one program at a time.

41 Years In Broadcasting

Dan Cummings
Broadcaster/Journalist

On Monday, familiar face, Dan Cummins shared his passion of television and broadcasting with our Club. Dan talked about the changes he has endured over the years, how it has impacted broadcasting and how the news is done differently today. To watch the program in its entirety, please click the link above.

Dan Cummins' face is familiar as the Emmy Award-winning WTOL 11 former sports director and he is now seen daily as the noon newscast anchor with Amanda Fay, and on the early evening Fox newscast. He's also instrumental during WTOL's Big Board Friday nights.

Born and raised in Peoria, Illinois, Dan says he knew early on he wanted to have a career in television sports. After high school, he went to Illinois State University where he earned a BA in Mass Communication. In 2014, he was honored as a "Distinguished Alumni from ISU."

Dan says he first got a taste of show business when he starred as Charlie Brown in a high school senior play. He says television is all he ever wanted to do. After working as the weekend sports anchor for a station in his hometown of Peoria, he came to WTOL in 1980. He began as a weekend sports anchor and sports reporter at WTOL, then earned a promotion to assistant sports director. Then, when veteran sports anchor Orris Tabner retired in February 1996, Dan became the sports director.

His favorite memory while working for WTOL 11 is covering the Fiesta Bowl in which the Buckeyes won the National Championship in overtime. Dan says he worked from 9 a.m. on Friday through 5 a.m. on Saturday doing live reports. He's covered the World Series, Super Bowl, and Heisman Trophy ceremony.

Dan and his wife Barb have seven children between them. They enjoy four grandchildren. He is a workout nut, exercising several days a week.
