Rick Russell, Rotarian
President & CEO
Hospice of Northwest Ohio

Richard (Rick) Russell gives a brief forty year review followed by a summary of current programs, transition and a new CEO, and the future of Hospice of Northwest Ohio.

Rick joined Hospice of Northwest Ohio as President/CEO in March of 2021. He has 30 years of healthcare experience spanning nursing and administration and has served in multiple leadership capacities covering three major environments of provider care settings, including academic, acute, and post-acute/end-of-life care. Rick's prior employers have been non-profit and for profit. His positions included being a Vice President of Patient Care Services/Chief Nursing Officer for Post-Acute Services at ProMedica, as well as serving as General Manager of the Midwest Division, where he had oversight of all hospice, home health, DME, and palliative care services for the organization in Northwest Ohio and Southeast Michigan, and was instrumental in integration efforts for the HCR-ManorCare acquisition. Rick has been involved with hospice and home health for the past 17 years, where he led operations, both clinical and administrative, as well as compliance and financials.

Rick completed his Bachelor of Science in Nursing with a focus of Nursing Administration at the Medical College of Ohio, with his thesis outstanding. Rick recently completed his MBA from the University of Toledo. In addition, he is a certified hospice and palliative care administrator by the Hospice and Palliative Nurses' Association, where he is an active member, along with being actively involved with the National Hospice and Palliative Care Organization in Washington D.C.
