Rotary on the Road: Glass City Pavilion

There is no better place to marvel at the mighty Maumee River. Glass City is the start of bigger things to come, and a destination in its own right. A glass pavilion with rooftop plants and plazas, a sledding hill, walking paths, an event lawn for 5,000 people and incredible views of the city, the new park is a go-to spot beside the largest river on the Great Lakes -- the Maumee.

Dave Zenk is a visionary leader with 15 years of experience developing and implementing the right vision for an organization that increases recognition, profits, and business expansion. Experienced working across all sectors, including funders and media; government, nonprofit, corporate, and private partners. Exceptional ability to foster innovation, create and leverage relationships and infuse creativity for great organizational change.

Have lunch with us at the Glass City Pavilion at the Glass City Metropark (1001 Front St, Toledo) for this exciting Rotary on the Road program!
