The Self-Aware Leader

Bryce Roberts, MA, LPC has committed himself to facilitating avenues for individuals to reach greater self-awareness. It is his belief that greater self-awareness leads to healthier and more authentic choices which affirm one's desire to live a more wholistic and healthy life. Through his professional, academic, and personal history, Bryce has well equipped himself to accompany individuals in reaching goals with a sense of wholeheartedness and genuineness.

Bryce is a licensed psychotherapist who has earned Master of Art degrees in both Theology and Counselor Education. His occupational history includes nonprofit management, leadership development, and entrepreneurship. He is the creator of Foundations of a Servant Leader, a year-long program centered on self-awareness and building the common good.

In 2020 he founded Foxwood Counseling & Consulting, LLC. Through this business, Bryce is able to serve others through consulting services for businesses, mental health services, and the Foundations of a Servant Leader program.

"Through Foxwood Counseling & Consulting it is my sincere hope to be of service to you and to our community. By engaging yourself in our programming or in clinical counseling, you are taking a step toward becoming more fully aware of the creative, meaningful, and worthwhile possibilities that lay ahead."

If you are interested and can attend the first meeting, please email Mari Davies at mdavies@artstoledo.com.

The first meeting will be Tuesday, October 18, 5:30 PM at Calvin's.

From there, participants will determine meeting dates / times and how to make book selections. The goal is just to have great fun and wonderful discussions!

Please RSVP to Mari by Tuesday, October 4 so that Mari can make a reservation.

(Attendance at these Book Club events counts towards your general club attendance!)
