## GRANT MONEY AVAILABLE - SPREAD THE WORD!

This year for our Community Grants, we have nearly \$260,000 available to support local nonprofits and deserving organizations! At our first cycle Foundation Advisory Committee (FAC) meeting last week, we only approved \$33,500. This was due to a combination of factors, such as a low amount of grant applications, grants that didn't quite fit our mission/policies, or other small concerns. We want to make sure that our 2nd and 3rd Cycles have many more applications to consider!

We would like to encourage all Rotarians to invite non-profits that you may know to apply for our grants. Help us support the worthy projects we know are happening in our community!

To learn more, our grants page can be found here: [Toledo Rotary Club Foundation Grants](#)  
Any questions can be directed to Jaci via email.

## PAST PRESIDENT RIAZ CHAUDHARY SHARES ABOUT HIS POLLINATOR GARDEN

You will recall past mentions of District 6600 and Rotary International's special efforts to support *Operation Pollination*. Our own Past President Riaz Chaudhary has two pollination gardens that he tends to - one at his home, and one at his office. He has shared these photos with us, to encourage others to start their own pollinator garden!
