Help Us Grow!

We have a NEW Corporate Membership Structure Available!

We just finalized a new pricing structure that is ready for interested Corporate Members. If you know of a company or organization in the Toledo area that should be a member of our Rotary, please send Jaci an email with details! We are excited about the bright future ahead for Toledo Rotary and want others to join us!

A corporate membership allows a business or organization to register two staff members as Toledo Rotarians for the fiscal year.

With this membership, there is one Primary and one Secondary member. Primary members shall be a senior level, locally based executive engaged in the company as an executive officer, corporate officer, or manager. Up to two additional Secondary members can also be appointed. Corporate memberships allow Rotarians to be replaced, should its members leave the company.
