

How to Find the Ballroom In Our New Home at Glass City Center

*If you've never been to Glass City Center
(or haven't been since it was previously the SeaGate Convention Centre),
we want to help you find our new meeting space.*

*Parking accessible via garage shown here.
Use Monroe Street to enter,
across from the ballpark.
Bring your parking stub for validation
with lunch purchase.*

*Once inside the parking garage, use the
set of stairs/elevator nearest the ballpark,
pictured here, and head to the 2nd floor.*

*From there, you will find the ballroom down
the long hallway, pictured here.
We will have greeters stationed throughout
the 2nd floor to assist with wayfinding.*

*Registration/Lunch Ticketing,
Guest Check-in, and
the Buffet Line will take place in this
common area outside of the ballroom.*
