

# TOLEDO ROTARY SPOKE

APRIL 27TH, 2023 | ISSUE 357

## MONDAY, MAY 1ST

*Join us for Law Day!*

The 2023 Law Day ABA theme is "Cornerstones of Democracy: Civics, Civility, and Collaboration."

We invite all the people of the United States to join us in rebuilding trust in our institutions, respect for one another, and our willingness to collaborate to address the challenges that face our nation.

Established as a day of national dedication to the principles of government under law by then President Dwight Eisenhower in 1958. Congress designated May 1 as the official date for celebration in 1961.

Ladies and gents—Rotarians so fine  
Our featured speaker—the next in line  
A judge you will hear, who is wise as an owl  
A modest man of merit, with a courtroom style

It's Judge Jack Zouhary, or "Judge Z" if you please  
Who has traveled to courts, like a bird on the breeze  
Off to districts a plenty, to higher courts he has flown  
To hear cases appealed, or to sit all alone

With gavel in hand, and a twinkle in his eye  
He champions justice and truth, and that's no lie  
"Judicial Independence," his unwavering creed  
A fair and just system, the heart of what we need

But hold on, dear friends, for there's more to this tale  
Judge Z, you will see, has a side that is hearty and hale  
Serious work that he does with the help of his staff  
But with a light side too—a verdict for a good laugh

Gather round now—give a Rotarian cheer  
As we welcome Judge Z, and lend him an ear  
The third branch he will tell us, is holding its own  
Doing its job without bias—this he wants known

- Written by Judge Z
