

TOLEDO ROTARY SPOKE

MAY 4TH, 2023 | ISSUE 358

MONDAY, MAY 8TH

Great Lakes Authority & Other Topics

Join us on Monday for a presentation of the history to establish the Great Lakes Authority, it's purpose and vision for the future.

Congresswoman Marcy Kaptur proudly represents the working people of Ohio's Ninth Congressional District. She is currently the longest serving woman in the history of Congress and ranks among the most senior Members of the 118th Congress.

Congresswoman Kaptur, a native Toledoan, lives in the same modest house where she grew up. After graduating from St. Ursula Academy, she became the first member of her family to attend college, earning a bachelor's degree in history from the University of Wisconsin (1968) and later a master's degree in urban planning from the University of Michigan.
