Corporate Membership

PRICELESS NETWORKING OPPORTUNITIES

Connect with over 300 local business and community leaders, at our weekly meetings, monthly socials, and volunteer events.

When you travel, you have access to visit any of the 46,000 Rotary Clubs across the globe! This is great for making business connections and friendships in new areas outside of Toledo.

Toledo Rotary continues to offer a Zoom option each week, for those who are unable to attend our Monday programs in person. When traveling on business, this is a great option!

TWO INDIVIDUALS IN ONE MEMBERSHIP

A corporate membership allows your business or organization to register two or more staff members as Toledo Rotarians for the Rotary fiscal year.

With this base membership, you will have one Primary and one Secondary member. Primary members shall be a senior level, locally based executive engaged in the company as an executive officer, corporate officer, or manager.

Additional Secondary members can also be appointed for additional fees, up to 10 individuals.

Corporate memberships allow Rotarians to be replaced, should its members leave the company. *This is not an option with individual memberships.*

Pricing:

- *Entry Fee (one time only): \$500*
- *Base Corporate Membership (annually for 2 members): \$1500*
- *Additional Members (annually): \$300*

GIVE BACK TO TOLEDO & BEYOND

With Rotary's #ServiceAboveSelf motto, our club provides multiple ways to give back via service projects, locally and internationally, each year. You will be able to invite your company's employees, including non-Rotarians, to participate in local service projects.
