## MONDAY, JULY 31ST

### *Transformational Projects Discussion & Updates*

*Join us this coming Monday, on July 31st, when we will be having an updated discussion on our club's transformational projects.*

*This is a follow up program from the June panel meeting, which will address further details regarding project history, project budget, and more. Specifically, Jim Layman of the Foundation will provide an overview of the Transformational Fund we have established, including the current balance of the fund. Then we will also have tabletop discussion amongst our members, led by our board members at each table.*
