Strategic Planning Session - Your Input & Participation Invaluable!

*Jason Daniels is a strategist, speaker, contributing journalist, former radio personality and author of the book *Get Off the Gerbil Wheel: A Remarkable Way to Stop Running and Going Nowhere in Life*. He currently serves as President and CEO of JAYRAMON LLC, a consultancy focused on collaborating with corporate, civic, social sector and non-profit organizations, providing strategic solutions to help build leadership effectiveness, scale impact, grow local and national partnerships and advance philanthropic effectiveness.*

Jason is currently contracted by the Toledo Rotary Club to update our long-range Strategic Plan. He is working with the board of directors, board of Trustees, and an ad-hoc Strategic Planning committee in this effort. You have been asked to participate in this membership survey that is garnering feedback to help us draft our updated plan. If you have not yet done so, please click [HERE](#).

At Monday's meeting on July 15th, Jason will be highlighting the feedback we have received thus far on the survey (over 100 responses!), as well as leading us in table discussion where each member present will have the opportunity to offer feedback, suggestions, and more.

As we look ahead to the future strength and integrity of our club, your participation in both the Survey Link and the discussion this Monday is imperative. Thank you in advance for joining us!

Which pillar of the 4-Way Test resonates most with your professional life and why?

Is it fair to all concerned?

I started my business to deliver expert, agency-level social media marketing without the costly overhead prices that often come with this level of service. That way, these organizations could continue to devote their finances primarily to serving our community.

COMMITTEE SELECTION FOR NEW ROTARY YEAR

As a reminder, all members will be expected to sign up for their committees of choice again. Please start thinking about what Toledo Rotary means to you, and how you want to get involved, both in committee selection and service projects.

We hope that all Rotarians will sit on at least one committee and actively participate. Our club continues to be great because of the hard work that our members put in, through our various service committees. We thank you for volunteering to serve!
