ROB PASKER:

**TOLEDO'S HOUSING MARKET: A
DECADE OF CHANGE, CHALLENGES,
AND OPPORTUNITY**

Rob Pasker is the Broker/Owner of Pasker Real Estate, President of the Ohio Realtist Association, and a Director-at-Large for the National Association of Real Estate Brokers (NAREB).

A licensed REALTOR®, housing educator, and community advocate, Rob has dedicated his career to expanding access to homeownership, building wealth through real estate, and strengthening communities across Ohio. He has helped hundreds of families navigate the homebuying process and was recognized as a Toledo 20 Under 40 Award recipient for his leadership and community impact. In addition to his real estate leadership, Rob serves as Vice Chair of the City of Toledo Board of Zoning Appeals and as a member of Lucas County's Citizens Levy Review Committee. These appointments provide him with a unique perspective on the intersection of housing, economic development, public policy, and community investment.

As President of the Ohio Realtist Association, he leads efforts to promote sustainable homeownership, fair housing, and economic opportunity throughout the state. Rob is also the host of the On The Cusp podcast, where he highlights leaders and changemakers making an impact throughout Northwest Ohio.

Fun Fact

The Rotary Club of Toledo has been giving back to our community for more than a century.

Established in 1912, the Club created its charitable fund

just three years later, supporting medical and educational services for children in the Toledo area.

That legacy of service continues today through the Toledo Rotary Club Foundation.
