## ANGIE JONES: UTOLEDO FAMILY BUSINESS CENTER

**Angie Jones** is the Director of the University of Toledo Family Business Center, which has been supporting family businesses since 1992.

In her role, she works closely with family-owned businesses to help them succeed across generations. Growing up in a second-generation family business, Angie developed a firsthand understanding of the unique dynamics, challenges, and rewards that come with balancing family relationships and business success.

As a trusted resource for business owners and families throughout the region, Angie connects members with educational programs, peer networks, and practical tools for growth. The UToledo Family Business Center provides support through leadership development, succession planning, and opportunities for family business leaders to learn from one another and build lasting success. Outside of work, Angie enjoys volunteering in local schools, cheering on her children at soccer and baseball games, and staying active through running.

She is passionate about her community, loves meeting new people, and is committed to helping Northwest Ohio businesses and families thrive.

## HELP US REACH 100% PARTICIPATION BY JUNE 30

As we approach the end of our fiscal year on June 30, we invite all members to consider making a contribution to the Foundation. Every gift, regardless of size, helps fund programs and service opportunities.

This year, our goal is to raise \$100,000 while striving for 100% participation from our Rotary family. Whether you choose to make a general contribution, join the President's Club with an annual gift of \$300 or more, or become a 1912 Fellow with a gift of \$1,000 within a single year, your support helps strengthen the Foundation's ability to serve.
