About Toledo Rotary

Founded on May 3, 1912, the Rotary Club of Toledo has a long-standing tradition that supports the Rotary motto of "Service Above Self." As one of the largest Clubs in the world, out of 33,000, we proudly adhere to the highest ethical standards, build community goodwill, develop relationships through networking opportunities, and encourage fellowship and mutual respect.

Through member contributions, our Club's Foundation distributes more than \$250,000 annually in grants to people in need, while simultaneously offering a variety of volunteer opportunities to members interested in hands-on activities through our six service committees focusing on community, youth, vocational, disability, environmental and international service projects.

Our Vision

A fellowship of Toledo leaders engaged in service to our local & world community.

Our Mission

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.
