Phil Mariasy
Founder

Allied Media launched Studio 130 last year, It's a full service video production facility, complete with 400 sq. ft. of studio space, where our our innovative video podcasts unite the familiar format of public affairs TV shows with best-in-class standalone videos. It's a modern, unbranded approach that prioritizes the clients' voices and missions.

Whether your goal is highlighting a community initiative, developing support and funding, celebrating a unique program, or sharing a compelling success story, our approach makes your message stand out in a crowded digital landscape.

Together, we set a new standard for how impactful stories are told.
