MEET OUR NOVEMBER SPONSOR

Allied Media Group
Studio 130

Phil Mariasy has been a Toledo Rotarian since June of 2009. He began doing business as Allied Media Group in June 2003. Prior to this, he had been an Editor/Videographer with Buckeye CableSystem of Toledo, an accomplished producer of regional cable TV programming in Detroit, and a broadcast TV technician in Toledo. He earned a BA from the University of Toledo in the late 1980's.

Allied Media Group

Allied Media launched Studio 130 last year, It's a full service video production facility, complete with 400 sq. ft. of studio space, where our our innovative video podcasts unite the familiar format of public affairs TV shows with best-in-class standalone videos. It's a modern, unbranded approach that prioritizes the clients' voices and missions.

Whether your goal is highlighting a community initiative, developing support and funding, celebrating a unique program, or sharing a compelling success story, our approach makes your message stand out in a crowded digital landscape.

Together, we set a new standard for how impactful stories are told.
